1. LEGAL CHALLENGES – HUNTING ACT 2004 & WILD MAMMALS (SCOTLAND) PROTECTION ACT 2002 & FIGHTING FUND

Brian Friend, an Associate member of the Union of Country Sports Workers, has learnt that his appeal for a judicial review against the Scottish Hunting Act has been dismissed by the Law Lords.

However, Brian had raised important issues regarding the rights of minorities within the majority of the indigenous British population for their Lordships to suggest that the European Court of Human Rights in Strasbourg should examine the issues. The Committee expressed considerable sympathy for his views, directing him to Strasbourg – therefore he will take his appeal to Europe.

Brian has fought a five-year “David and Goliath” battle as a Litigant in Person leading up to this appeal. The Union of Country Sports Workers is fund raising to support Brian with his travel, court, research and administration expenses. There are no fees for lawyers or barristers in these cases as Brian continues to represent himself. If you would like to contribute to the fund, please send your donation, payable to the “UCSW Fighting Fund” to: UCSW, PO Box 129, Banbury, OX17 2HX.

Anyone wishing to speak to Brian Friend can call him on 01404 881357 or email: bkldfc@aol.com

2. HARASSMENT OUT HUNTING

Brian Friend, UCSW Legal Advisor, having got fed up with the way the so-called Hunt Monitors were harassing his own hunt, pursued complaints about incidents on Boxing Day and New Year’s Day last year with the Police. He finally got them to accept that they had a duty to protect hunt members, particularly minors, from behaviour *likely to cause distress*, such conduct being a breach of s5 of the 1986 Public Order Act.

With their help, he has produced a briefing sheet on this issue, which is available from the Office.
